

Need something that will accelerate your receivables? Our virtual One Terminal enables your customer service reps to take ACH and Credit/Debit Cards in real-time, thus accelerating your review. In addition to one-time payments, this terminal allows you to set-up recurring or custom payment plans for customers that owe large balances or want to make automatic payments.

The screenshot shows the 'Step 1 - Enter Customer and Payment Information then click Next' screen. At the top, there is a banner area with a logo placeholder 'YOUR LOGO HERE'. The form includes fields for Resident ID (with a 'Required' label and a 'Find' button), Site Number, and radio buttons for 'Individual' (selected) and 'Business'. Customer details include First Name, Last Name, Country (USA), Address 1, Address 2, City, State (dropdown), Zip Code, Email, and Phone. Payment options include a 'Payment Method' dropdown set to 'Credit/Debit Card', with icons for American Express, VISA, Mastercard, and Discover. Below these are radio buttons for 'Key Card Info', 'Swipe Card', and 'EMV' (selected). A green 'Insert Card' button is highlighted. There is a checkbox for 'Create Payment Schedule'. Other fields include 'Payment Amount' (Required), 'Payment Date' (09/14/2020), and a 'Comments' text area. At the bottom are 'Clear Form' and 'Next' buttons. The footer contains a 'Privacy Policy' link, copyright information for 2020 Convenient Payments, LLCs, and security logos for PCI DSS and VeriSign.
