

Simple and Easy Way to Get Paid

Give your customers what they want, let them pay their invoices safely and securely online. Customers will love the intuitive interface and convenience. They can register or pay as a guest, set-up auto-pay, and view payment history. The integration with existing systems simplifies your accounting and operations.

Invoice Screen

The screenshot shows a user interface for a customer named John Smith. At the top, there is a navigation bar with 'YOUR LOGO HERE', 'INVOICES', 'HISTORY', and 'WALLET'. A blue banner says 'Hello, John!'. Below this, the account information shows a balance of \$858.00, with \$300.00 paid YTD and \$1,506.00 overdue. An 'Auto Pay' option is shown as active. A table titled 'Current Invoices Due' lists four invoices from July to October 2020. At the bottom, a 'Confirm Payment' section shows a total payment of \$858.00 with a 'PAY NOW' button.

Callouts on the left side of the screenshot:

- Brandable: Points to the logo area.
- Custom fields: Points to the account number and balance area.
- Easy-view payment window: Points to the payment summary area.
- Auto Pay Option: Points to the auto-pay toggle.

Callouts on the right side of the screenshot:

- Digital wallet: Points to the 'WALLET' navigation item.
- Search & download invoices: Points to the search icon in the invoice table.
- Full & partial payments, view payment detail: Points to the '...' menu icon in the invoice table.
- Configurable for all of our Flex Fee Options - Traditional, Service, Site or Convenience Fee Processing: Points to the 'PAY NOW' button.
