

Get Paid Anywhere with Touchless Mobile Payments

Today merchants need to accept payments anywhere, anytime, and our mobile application gets it done. Employees can accept credit card, debit card, and eCheck (ACH) payments in the shop, on the road, or anywhere there is wifi or a phone signal.

Available for iOS and Android phones and tablets, the clean interface is easy to navigate and makes taking payments simple and safe with only the employee touching the screen.

Key Features & Benefits

- Accept payments anywhere, any time
- Supports credit & debit cards and eCheck (ACH)
- Capture unique ID - invoice or account number
- Perfect for field sales or remote locations
- Ideal for one time or single payments
- Payment entry by username & password
- Works with smartphones and tablets
- Brandable & customizable
- Integrated with IntelliPay Payment Suite & Account Management Portal

Our SaaS based, PCI DSS Level 1 compliant, cloud-based platform is extremely secure, and fully scalable to grow alongside your business.
