IntelliPay Payment Suite
Service Fee

IntelliPay

Compliant, Secure No-Cost Payment Processing
IntelliPay has been providing Innovative Cost-Saving Payment Solutions to Governments, Universities, and Colleges since 2004.

Our cloud-based payment suite offers secure payment solutions and integration services, allowing you to connect with the management system of your choice.

IntelliPay's payment suite also eliminates the challenge Administrators face when collecting payments across channels, departments, and locations, providing a holistic view and complete control of their revenue collections.

Reduced or No-Cost Options
Options supporting Service fee*, Convenience Fee, Site Fee, and No-fee transaction models, or a combination of both.

Multiple Payment Methods
IntelliPay has your office covered when it comes to payments, whether via API, Card Present, Online, IVR, or other Custom Payment Options.

Integrated Solutions
IntelliPay's cloud-based suite is capable of integrating both your in-person and online transactions into your fund management software.

Master Data Management
Have multiple banks accounts,departments or locations?
No problem. Via single sign-on (SSO), you can easily switch between different departments, locations, and reporting

Our SaaS based, PCI DSS Level 1 compliant, cloud-based platform is extremely secure, and fully scalable to grow alongside your business.
